

## Access to the Visplay Portal

In order to use the portal, your e-mail address must be activated by us in advance. Before logging in to the Visplay portal for the first time, you must enter a new password. This works via the "Forgotten password" function. Please make sure to assign a secure password. The further steps are explained below:

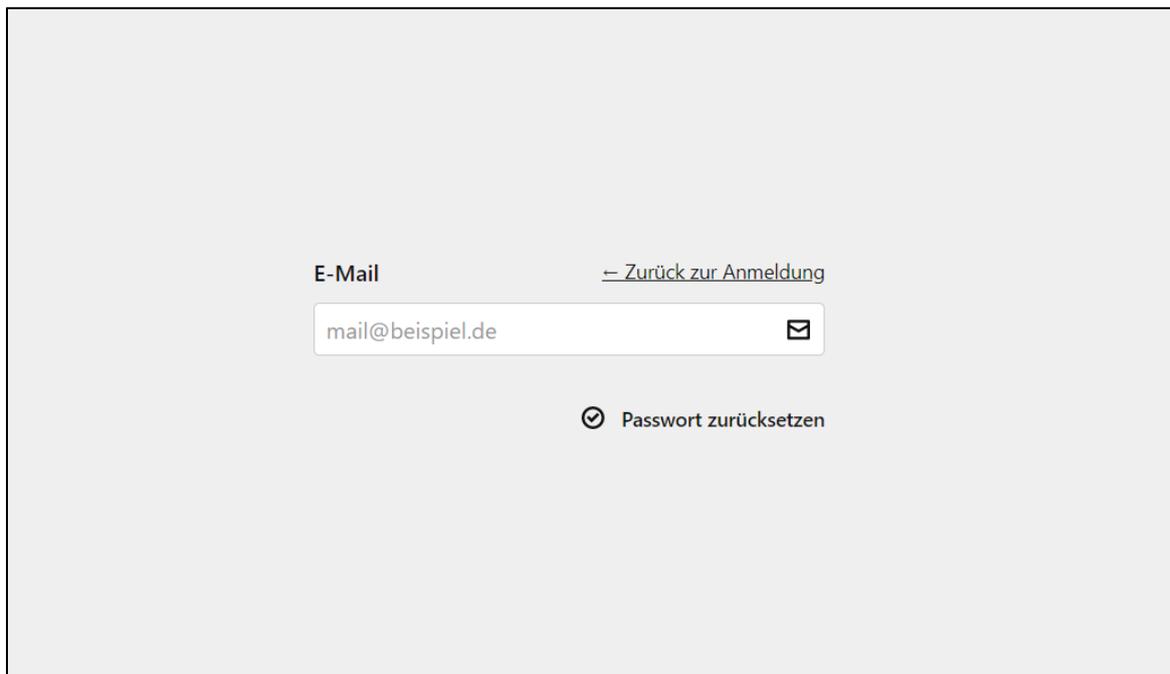

1. Click on "Login" in the footer of the website or follow this link: <https://visplay.com/login>

2. Now click on "forgot password".

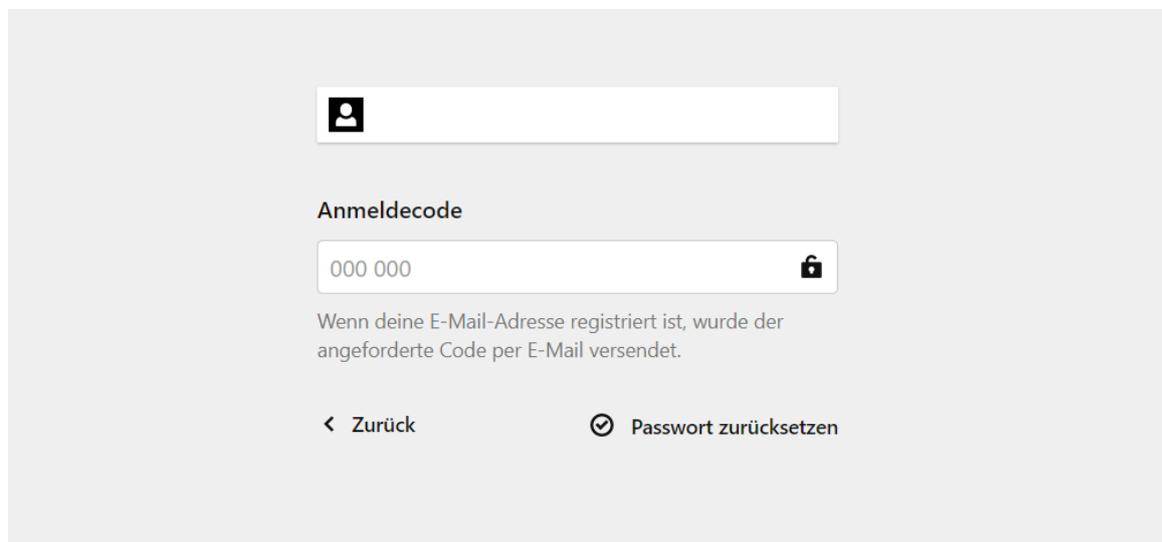

3. Now enter your e-mail address and click on "Reset password".

The screenshot shows a password reset form on a light gray background. At the top left, the text "E-Mail" is displayed. To its right, there is a link: "← Zurück zur Anmeldung". Below this, there is a text input field containing the email address "mail@beispiel.de" and a small envelope icon on the right side. Underneath the input field, there is a radio button with a checkmark inside, followed by the text "Passwort zurücksetzen".

4. You will now receive a mail with a temporary code. By entering this code correctly, you can now create a new password.

The screenshot shows a verification code input form on a light gray background. At the top, there is a text input field with a person icon on the left. Below this, the text "Anmeldecode" is displayed. Underneath, there is a text input field containing the code "000 000" and a small padlock icon on the right side. Below the input field, there is a line of text: "Wenn deine E-Mail-Adresse registriert ist, wurde der angeforderte Code per E-Mail versendet." At the bottom left, there is a link: "← Zurück". At the bottom right, there is a radio button with a checkmark inside, followed by the text "Passwort zurücksetzen".

Should you wish to change your password in the future or have forgotten it, you can change your password at any time using the same method. If you have any questions or problems with the login or the website, please send us an email to [marketing@visplay.com](mailto:marketing@visplay.com).
